ALEXIS COPE, Belmont Co.

D. A. HOLLINGSWORTH, Dist. Comm.

REPUBLICAN COUNTY CONVENTION.

The Republican voters of Belmont County are requested to meet at their usual voting places in the respective townships, between the hours of 4 and 7 P. M., on

**Saturday, July 26th, 1873,**  
and select four delegates to represent them in the County Convention, to be held at Belmont, on

**Tuesday, August 5th, 1873,**  
for the purpose of placing in nomination a Republican County ticket, viz:

- One member of the General Assembly.
- One County Auditor.
- One County Commissioner.
- One County Treasurer.
- One Prosecuting Attorney.
- One Infirmary Director.

The township meetings will, also, at the same time and place, select one member of the County Central Committee to serve for the ensuing year, and choose one delegate to meet in Convention with the delegates from Harrison County, at such time and place as may be hereafter designated, for the purpose of nominating a State Senator.

By order of the Belmont County Central Committee.

ALEXIS COPE, Chairman.

**MICE AND GREENBACKS.**—One day last week the money drawer of Mr. Chas. G. Hubbard, Grocer, was stealthily entered and about seventeen dollars abstracted therefrom. The circumstances were about as follows: Some certain mouse being somewhat enamored with the pet greenback theory of the late Democratic party, and following the example of late defunct democratic officials in this County, concluded to line it "little bed" with the article in question. Finding an entrance either forcible or otherwise at the back of the drawer, it succeeded in securing the amount mentioned and conveyed it to a shelf immediately above and covering the drawer, where it was cut in sizes to suit and placed where it would do the most good in the house of its mousetom. Several gentlemen have been engaged during the last week in working out the puzzle of putting the pieces where they belong. Mr. Hubbard is now satisfied that some of his greenbacks are irredeemable.

**Gen. Ewing** has written a letter declining the use of his name as a candidate for gubernatorial honors and gives as a reason that the Constitutional Convention will not adjourn in time for him to take part in the Campaign.

**Lewis D. Campbell, Chilton A. White, Sam. Cary, and John W. Caldwell,** now loom up in the Democratic sky.

**Senatorial Convention at Flushing** on 2d of August. It is understood that Senator Knox will probably be renominated by common consent. The renomination of Mr. Knox, will be a deserving tribute to a faithful and efficient public servant.

**The people in the vicinity of Burr's Mills** enjoyed a first-class sensation recently growing out of the finding of two Valises near that point containing clothes, consisting of shirts, pants, &c., besmeared with blood. A foul murder was the first thing suspected, but we believe diligent search has elicited no information to strengthen this belief.

**The Orangemen bands** played "Boysie Water" along Broadway, and "Orange and Green" will carry the day along Fifth avenue on Saturday. One disorderly arrest was the only public incident connected with the march.

**Three cattle** valued at one hundred dollars, pastured on the farm of W. B. Hubbard, Esq., on Wheeling creek, was killed by lightning on Tuesday morning. They were standing under a tree at the time they were killed.

**STRUCK BY LIGHTNING.**—During the storm about nine o'clock on Tuesday morning, the Presbyterian Church in Kirkwood was struck by lightning. A number of persons were in the building at the time, engaged in decorating the walls and ceiling. The electric charge struck iron bolt in the apex of the steeple (there is no lightning-rod to the structure), and passed down into the interior of the audience room, knocking off in its course a portion of the roof of the steeple and the plastering of the room as well as its decorations. The damage done, however, was slight. One of the workmen died, however, as the lightning struck him in the head, and he died in a few minutes. —*Wheeling Intelligencer*

**The attention of the Democratic press** throughout the country is called to the fact that the latest discovered defalcation is that of Jacob Thompson, Secretary of the Interior under James Buchanan. Jacob was all his life a Democrat, and his little theft of \$821,000 carried under a Democratic administration. We stand waiting, patiently, for the homilies that will be delivered by the Democratic newspapers over this flagrant instance of official dishonesty. —*Pittsburgh Commercial*.

**Col. L. D. Campbell** is the latest "bucoile" suggestion as Democratic candidate for Governor.
